👤 SUMMARY

I'm a dedicated and adaptable full-stack developer with a passion for crafting user-friendly, polished front-end experiences while maintaining a strong understanding of full-stack development. I'm an eager learner, always excited to expand my skill set and take on new challenges. With a collaborative mindset and a positive attitude, I enjoy working in team environments and contributing to collective success. Having recently completed my studies in IT (Programming) and Advanced Programming, I'm eager to apply my skills to new opportunities and continue growing as a developer.

🎓 EDUCATION

2024/07 – 2024/12 Petersham Campus	Diploma of Information Technology (Advanced Programming) <i>Tafe NSW</i> <ul style="list-style-type: none">• Collaborated effectively in a team to design, develop, and test multiple software projects• Developed a Point of Sale (POS) application, focusing on UI efficiency, order management, ticket handling, and real-time menu updates for seamless transaction processing• Designed and implemented a reservation website, incorporating user access levels for booking reservations, creating sittings, and confirming bookings to streamline the reservation process• Gained extensive experience in full-stack development, integrating front-end, back-end, and database technologies

- HTML5, CSS
- JavaScript
- C#
- SQL
- ASP.NET CORE
- React / React Native
- Git
- Visual Studio, Visual Studio Code

ORGANIZATIONS

2011 – present

Scouts NSW

Assistant Trainee Joey Leader at 4th Kingsgrove Scout Group

I've been a proud member of Scouts NSW since 2011. Currently, I'm a trainee Joey Scout Leader, where I have the opportunity to guide and inspire young children. Being involved in scouting has taught me valuable skills in leadership, teamwork, and communication, which I believe have helped shape me both personally and professionally.
